SUPERINTENDENT'S REPORT.

To the School Board of Lee:

As I came to your District in October this report must deal with your schools as I found them at that time, and it will necessarily be brief.

The school houses show that you have been making an effort to keep them up to the standard set by the State. The lighting in the North Lee school house is good, although I would plan in the others to take the light from the east and south, as the west and north sides are exposed to the cold winds. The Lee Hill school house has windows on both sides thus giving cross lights. This is also true of the South Lee school house. Your former superintendent called your attention to this last year. I urge that in one of these houses the windows be changed this year. This will not be a heavy tax, and I feel confident that the good people of Lee will respond to reasonable suggestions made for the physical well-being of your pupils.

The following is a list of the teachers and number of pupils in your schools:

South Lee, Miss Edna Merrill,	22 pupils
Lee Hill, Miss Edwina Bagley,	33 pupils
North Lee, Mrs. Ruth Monroe,	18 pupils

The attendance has not been good as the whooping cough and other sickness has prevented many pupils from attending school. This remarkably warm winter with no bad storms has helped the attendance, and I hope for a creditable report for the year.

The instruction and discipline has been very good. The teachers are interested and have had good preparation for their work. Your School Board is intelligent

and deeply interested in the work of the schools, and I feel very grateful for its assistance to me, and the people of the town may be confident that the affairs of your schools will be administered wisely and prudently.

By the teachers' registers I find there were two pupils who had a perfect attendance for the year 1925-1926: Barbara James and Charles Mills. An important factor in making for success in life is to be punctual in meeting one's appointments, and I trust there may be many more who will be on this honor list next year.

Respectfully submitted,

L. M. FELCH,

Superintendent.
